

Vision

To ignite women's philanthropy through the power of collective giving to advance the empowerment of all women.

Purpose

100 Women enables everyday people to be involved in creating a world where all women and girls can live safely with access to health, education and economic freedom. We do this by combining donations and knowledge to provide impactful grants.

Values

- Opportunity for all
- Meaningful connection
- Inclusiveness
- Real and significant change

There's a movement brewing. It's made of up women who want to give back and help disadvantaged women in their own communities and around the world.

\$100 can be less than your coffee order each morning for a month. Imagine if we pooled together \$100 a month, from 100 women?

Domestic violence, forced prostitution, death in childbirth, limited education - unfortunately these things are still happening to women in Australia and around the world. It seems unreal.

100 Women wants to empower women to be part of the solution. Our first goal is to raise \$120,000 (through tax deductible donations) to give away to worthy causes aligned with the vision of 100 Women.

If you share our vision, please join us to help achieve that goal, and become part of the solution.

safely with access to health, education and economic freedom.

Our volunteer committee based in Perth, Western Australia is hard at work, and 100 Women is on target to officially launch in March 2014, when we will be able to accept donations and membership.

Together, we look forward to making a difference.
