

100 WOMEN

presents

Philanthropy and You

A complimentary corporate workshop for employees

Host a 45 minute session at your workplace.

Philanthropy can provide rewarding opportunities to expand your meaning in life, personal and professional experience and networks. 100 Women presents an innovative session to explore:

- What is philanthropy and why people give?
- The benefits of philanthropy to givers and receivers
- Personal and professional development opportunities
- Why women's philanthropy is needed?

"100 Women provided an engaging and inspiring presentation, highlighting the benefits of philanthropy to the community and empowering women to get involved and be part of process."

Camille Barton, Chevron Women's Network
