100 WOMEN

Cana Communities

Perth, WA

Cana Communities has requested \$43,050 to improve the mental and physical health of 20 homeless and other marginalised women through specialist community nursing services and art therapy.

100 WOMEN

The Hunger Project Australia

Bihar, India

The Hunger Project has requested \$50,000 to enable 1,400 at-risk adolescent girls to receive education, training and long-term support to reduce forced child marriages and drive intergenerational change on this challenging issue.

100 WOMEN

LIVEfree Project

Newcastle, NSW

LIVEfree Project has requested \$36,964 to promote emotional and physical safety for 820 of Newcastle's most vulnerable girls, teen and adult women via the educational Stand Up Sista program.

100 WOMEN

Mama Respond International

Kitengela, Kenya

Mama Respond International has requested \$50,000 to provide entrepreneurship training to 80 mothers of children with disabilities, to improve their financial independence while simultaneously increasing women's health advocacy in the community.

100 WOMEN

Orana House

Perth, WA

Orana House has requested \$50,000 to connect socially-conscious landlords with 50 women and 140 children fleeing family and domestic violence who are seeking to secure private rentals in a difficult market.

100 WOMEN

Radiance Network South West

South Western Australia

Radiance Network has requested \$49,828 to offer early 1:1 support for 80 mothers and their children facing perinatal mental health issues in regions lacking access to services.

100 WOMEN

The Water Well Project

National Program (VIC/TAS/NSW/SA)

The Water Well Project has requested \$49,592 to deliver 50 education sessions to 700 migrants, refugees and asylum seekers in order to improve health literacy and remove gender-related barriers to accessing health services.

100 WOMEN

Zen Tea Lounge Foundation

Sydney, NSW

Zen Tea Lounge Foundation has requested \$50,000 to deliver workshops and training to help 300 women impacted by domestic violence to regain their confidence and reintegrate into society.
